

# BAC Union Training Shower System

Let us introduce you to Schluter®-Systems' innovative solutions for building reliable tiled showers. Designed for the installer, this training session includes a brief classroom presentation followed by a live demonstration and an opportunity to work with our products in a hands-on setting.

## Topics Covered:

- Importance of moisture management
- Bonded waterproof shower systems
- Installation methods
- Kerdi Wide Roll
- Ditra & Ditra Heat Peel & Stick

## Tuesday, February 28

7:00 a.m. – 3:30 p.m.

Lunch provided, courtesy of Schluter
